*Pupil 1.* Buckingham Palace is the official residence of the Queen and her family. It isn't open to the public. The first monarch who took residence there was Queen Victoria. It has 600 rooms, a swimming pool, a cinema, a ballroom, and a garden. In summer the Queen gives three garden parties for about 9,000 guests. The ceremony of the **Changing the Guard** at Buckingham Palace is a great tourist attraction. It takes place in the forecourt at 11:30 a.m. and lasts half an hour.

-Who lives in Buckingham Palace?

*Pupil 2.* Trafalgar Square is the centre of London. The English is proud of Trafalgar Square, which named so in memory of the victory at the battle. Someone said it is the most beautiful place in the world. It is certainly large and impressive. Trafalgar Square is one of the most famous public places in the United Kingdom. In the middle of the square there is a very famous statue "Nelson's Column" which is over 170 feet high. The Statue on the top is built in the memory of Lord Nelson who won the most famous sea battle at Trafalgar.
